

Whistleblower Protection Measures

1. A complainant may choose to remain anonymous if he/she deems that disclosure could lead to insecurity of loss concerns.
2. The Company will keep relevant information secret and take into account the safety of the complainant. Measures have been prescribed for the protection of complainants who are employees, including those who cooperate in the investigation of facts. These persons will be protected from unfair treatment as a consequence of the complaint, e.g. disturbances during work, reassignment or termination of employment.
