

## Dividend Policy

### Policy of the company

The company has a policy to pay dividends to shareholders at the rate of 20-80% of net profit of the company's separate financial statement. However, this rate principally depends on economic conditions and business performance of the company as well as the resolution of the shareholders' meeting. Dividend payment will comply with clause 56 - 58 of the Articles of Association of the company. The stated clauses have an essential stipulation that dividends must be paid on the basis of profit only but not from other incomes. In case the company has deficit, it is prohibited to pay dividend. Dividend will be calculated on the amount of shares basis, each share has an equal dividend. The dividends must be paid within one month after the date of the Shareholders' or Board of Directors' meeting has a resolution. The board may pay interim dividends to shareholders if the board regards that the company has a sufficient profit and report to shareholders in the next meeting.
